a discount plan for groups

Welcome!

Since 1958, Delta Dental has been providing high quality, comprehensive dental benefits in the state of Colorado and nationwide. As a non-profit organization, our mission is: **To improve the oral health of the communities we serve.** The people of Delta Dental work to provide high quality customer service to our members. And the relationship with our dentists is key to achieving our mission.

This dentist directory is a valuable tool for helping you find a dentist or dental specialist in your area. Remember that your choice of dentist or dental specialist is your own. The information provided in this directory is not an endorsement of a particular dentist or dental specialist suitable to your needs.

Although we try to ensure that our dentist directories are as accurate as possible, the information in the directory is subject to change at anytime. We encourage you to check our website at www.deltadentalco.com for the most current information about participating dentists near you.

Dentists Network

This dentist directory is for products that use Delta Dental Patient Direct® network.

You will need to fill out your dentist's name and Provider# on your enrollment form. You and your family members need to visit the same Patient Direct general dentist. If you need to see a specialist, no referrals are required.
